

16006 Donna Marie Drive
Homer Glen, IL

10 Room, 5 bedroom. 2 1/2 bathroom
Custom Home

Beautiful spacious 10 room, five-bedroom 2 1/2 bath home with elegant foyer leading to a two-story living room that adjoins a spacious dining room with a barrel ceiling, perfect entertaining! Additionally there is a family room with built-in maple entertainment center and bookshelves, as well as a gas/wood burning fireplace. The main level features a bedroom that is ideal for guests or office space. Also a spacious gourmet kitchen that features plenty of maple cabinets, granite counter tops island work top, breakfast room and hardwood flooring. Kitchen leads out to the fenced yard with mature landscaping and overlooking the open space. Also, the main level features a laundry room with separate closet space. Upper level features four spacious bedrooms. The spacious master bedroom has a vaulted tray ceiling with jetted bath tub and separate shower, double sinks plus two walk-in closets and a linen closet. The second bedroom has a vaulted ceiling, Palladian window, walk in closet and built-in window seat (with storage). The third bedroom is also large with a walk-in closet. The fourth bedroom has double closets and a custom built-in window seat/storage with bookshelves. The unfinished lower level has roughed in plumbing for a bathroom and awaits your imagination for customization. There is also an attached three car garage. The home is situated on a 16,439 square-foot site, and is near to a 620-acre park featuring wildlife, dog park fishing ponds and picnic area, and just 10 minutes away from Metra commuter trains and interstate I-355. This just a little bit of TLC, this becomes a wonderful home.

Offered at \$617,100
