Where Grand Architecture Meets Resort Living

Welcome to 425 Windwood Lake Drive ! An extraordinary executive estate where every detail has been thoughtfully curated for those who refuse to compromise. From the moment you step inside, the soaring ceilings, ornate millwork, gleaming dark hardwood floors, and dramatic floor-to-ceiling stone fireplace flanked by classical columns announce that this is something truly special. Crystal chandeliers cast a warm glow over the sun-drenched great room, where French doors open to a private terrace and lush tree views. The chef's kitchen is nothing short of breathtaking with a massive custom island with hand-carved corbels, a statement copper range hood, professional-grade 6-burner gas range, dual dishwashers, double wall ovens, granite countertops, and a convenient butler's pantry/office just steps away. A dramatic powder room with glass vessel sinks, mirrored ceiling, and lacquered walls is a work of art in itself. Artisan ironwork gates guard the private wing, where the primary suite reigns supreme with its own foyer, a second fireplace with built-in cabinetry, and a jaw-dropping closet suite with floor-to-ceiling custom cabinetry, a center island with marble top, and a dedicated closet laundry. The spa-caliber primary bath stuns with dual floating vanities, quartz countertops, a freestanding soaking tub, and a separate walk-in shower beneath an arched window. Downstairs, the lower level is pure entertainment gold featuring a dedicated theatre room with space for a built-in screen and custom cabinetry, a second full kitchen and bar, an exercise room, hobby space, and a cozy fireplace gathering area. Step outside to your own private resort: a covered pavilion with outdoor kitchen and bar, an in-ground pool, hot tub, and a fully fenced backyard that backs to serene woods. Two garages accommodate four cars plus a golf cart. Over 7,800 square feet of curated living space — this is not just a home. This is Paradise.
